

Get your W-2 in OneStart

IU W-2s for 2011 will be delivered electronically through the **Employee Center** in One Start.

Online W-2 Delivery in OneStart

New for 2011! W-2s for 2011 will now be delivered electronically through the Employee Center in OneStart. This will replace W-2eXpress and make the retrieval process more convenient for employees.

IU Employees **must consent** to receive the W-2 online. This consent will allow retrieval of your 2011 W-2 form 1-2 weeks earlier than mailed paper forms. To consent for online delivery and view prior year W-2s, visit the **Tax Information** section of the **Employee Center** in **OneStart** at www.onestart.iu.edu.

For questions about W-2s or the new process, contact iuw2@indiana.edu.

The page is titled "Services > Employee Center" and includes a search bar and navigation tabs for "Campus", "Services", "Notifications (loading...)", "My Groups", and "My Zone". The main content area is divided into several sections: "Benefits Information", "Personal Information", "Payroll Information", and "Tax Information". The "Tax Information" section contains a table with the following data:

An "edit" button is circled in red in the "Tax Information" section, and a red arrow points from the text "Go to OneStart to consent." to this button.
